Livingston has been spending the week in Dillon on business.

Dr. C. Henslee has returned from a short visit to his home in Gratiot, Ohio.

Mrs. John Harlee, of Florida, is visiting her aunt Miss Amelia Harlee.

Miss Gauss Harrelson spent the week end at the country home of Mr. A. J. Carmichael.

Preaching at Dunbarton on next Sunday afternoon at 3:30 o'clock. All are cordially invited to attend.

Have your gins repaired in time. Salmon Novelty Works, Dillon, S.C.

Mr. H. H. McLaurin and daughter, Miss Lida, of Clio, spent Sunday with relatives in town.

The meeting of the Embroidery Club was postponed this week on account of the meeting at the Presbyterian Church and will meet next week with Mrs. W. W. Jordan.

The Sacrament of the Lord's Supper will be administered in the Dillon Presbyterian Church on next Sunday morning. Every member of the Church we hope may be present if possible. This would gladden the pastor.

Mr. S. Seigler, who will be remembered by the older citizens hereabouts as one of the early settlers of Dillon, spent a few days in town last week. Mr. Seigler lives at Wilmington where he has prospered in the furniture business.

The public is invited to attend an entertainment at the Little Rock school tomorrow (Friday) evening. There will be dialogues, songs, plays, recitations, etc. A small admission fee will be charged and the proceeds will be given to the school library.

Attention is called to the advertisement in another column in which the trustees of the Price Estate will sell a lot of buggies, wagons, harness and other implements on Feb. 27th, before the stables recently occupied by the Bennett Live Stock Co. In the lot are half a dozen new buggies and a number of new wagons and no doubt these will be sold at a sacrifice.

Large crowds are attending the revival meeting at the Presbyterian church conducted by Rev. Mr. Spencer. The meetings are held every afternoon and night and will continue through the week. A great deal of interest is being manifested and the indications are that they will accomplish a great deal of good. Mr. Spencer is a strong and forceful preacher and easily holds the attention of his audience.

Mr. G. C. Johnson came down town at an unusually early hour Friday morning his face aglow with "that smile that won't come off." He was inquiring for the census taker, stating that another voter had been added to the new county and that the population of our city had been increased and he wanted it to show immediately upon the records. "Guss" says it is a most promising eight pound boy and he is considering seriously for him the name of "Der Kaiser."

The vacant lot at the north end of the passenger station has been enclosed with a substantial iron fence and the enclosure will be planted in flowers by the ladies of the Civic League. The ground has been well broken and several wagon loads of compost and a barrel of agricultural lime have been well mixed with the sub-soil. In a few months this spot, long an eye sore to townspeople as well as the traveling public, will be made as attractive as willing hearts and artistic hands can make it. We offer as a suggestion that the name "Dillon" be written in the centre of the enclosure with rows of violets. This would be not only unique and attractive but would serve to advertise the town as well.
